**TO:** All EMS Stakeholders

**FROM:** Bruce Barton, Riverside County EMS Agency Director *BB*

**SUBJECT:** Temecula Valley Hospital opening as a Prehospital Receiving Center

**DATE:** October 14, 2013

---

Riverside County EMS Agency (REMSA) is pleased to announce that on Monday, October 14, 2013 at 9:00 AM, Temecula Valley Hospital (TVH) will open as Riverside County's newest acute care hospital and is approved as a Prehospital Receiving Center (PRC).

Ambulances transporting patients to TVH should contact them using the telephone number **(951) 331 -2280**. Base Hospitals are approved to send ambulances from scenes to TVH. Additionally, the DTMF Tone to activate the EMS Radio (VHF MED 1) is **550**.

Temecula Valley Hospital  
31700 Temecula Parkway  
Temecula, CA 92592

Please join us in welcoming TVH to Riverside County's EMS System as our newest Prehospital Receiving Center!
