

TO: EMS System

FROM: Laura Wallin, RN, EMS Specialist *lw*

SUBJECT: Corona Regional Medical Center designated Stroke Ready Hospital

DATE: March 24, 2015

The Riverside County EMS Agency (REMSA) is pleased to announce that Corona Regional Medical Center has fulfilled all of the obligations necessary to be designated as a Stroke ready Hospital in Riverside County. Beginning at 0001 hours on March 27, 2015 (the night of March 26, 2015), base hospitals may send patients identified in the prehospital environment as possible stroke patients to Corona Regional Medical Center. Please ensure that all necessary personnel are informed of this designation.

Please join us in welcoming Corona Regional Medical Center to our growing family of designated Stroke Centers in Riverside County.
