

TO: Riverside County EMS System

FROM: Reza Vaezazizi, REMSA Medical Director 

SUBJECT: JFK Memorial Hospital – Electrical Equipment Repair

DATE: March 21, 2018

On Friday, March 23, 2018 between the hours of 0100 and 0500 JFK Memorial Hospital will undergo critical repairs requiring the temporary disruption in power supply for approximately 3-4 hours. During this time the Emergency Department, Laboratory, and Radiology Department will transition to temporary sources for emergency power. The Riverside County EMS Agency (REMSA) is working in partnership with JFK Memorial Hospital to make system notifications. To support the operational needs of the hospital, REMSA has approved JFK's request to be placed on **Internal Disaster** per Administrative Policy 6103 – Ambulance Diversion. For the duration of the planned power outage, all patients will be transported to an alternate destination. For additional information, please reference the ambulance diversion policy located at <http://www.remsa.us/policy/6103>.

If you have general questions, please contact the EMS Agency at (951) 358-5029, or for an urgent matter, the REMSA Duty Officer at (951) 712-3342.
