

ePCR Workgroup 10/27

October 27, 2022

ATTENDEES

Nick Ritchey - REMSA, Evelyn Pham - REMSA, Dustin Rascon – REMSA, Sean Hakam – REMSA, Stephani Harrington – REMSA, Lisa Madrid – REMSA, Daniel Martinez – Mission Ambulance, Holly Anderson – Cal Fire, Justin Vondriska – Cathedral City Fire, Richard Blumel – AMR, Christopher Boykin – Riverside City Fire, Tim Buckley – Soboba Fire, Erin Bailey – Cal Fire, Ken Cardin – Morongo Fire, Christopher Linke – AMR, Ricky Harvey – Cal Fire, Justin Vanderhulst – Pechanga Fire, Melissa Schmidt – Hemet Fire, Roger Salmo – City of Calimesa, Ryan Holtkamp – AMR, Steve Gregory – Pechanga Fire

I. Call to Order/Introductions

- Any action items presented here, REMSA will accept as approval of the group who attend the meeting
- Meetings will be held via Microsoft TEAMS for the foreseeable future. All meetings will also be recorded.

II. Learning Management / Licensure Integration

- Preview of integration and Learning Management Platform
 - REMSA is rolling out a cloud-based system level learning management platform that will integrate licensure, renewals, education and etc. all in one
 - Free for our providers to use
 - Currently Corona Fire is testing out the platform before its release
 - Dustin Rascon gave a quick tour of the platform - Brainier on how it works and looks
 - REMSA will be using this platform starting July 2023 to deliver PUC packages and providers can also use this to create their own education
 - After logging in, each user will go through an accreditation and licensure model that will then create their type of profile
 - In 2023 looking to also integrate ImageTrend into Brainier for a single sign-on

III. Identified Issues and System Updates

- Zoll importing issue on Zoll's side
 - Zoll may be having server issues that is causing the importing issues, REMSA may need to reconnect with Zoll to discuss the problem
- Incorrect Zoll serial number when transferring waveform files to another agency (pending)
 - Will hopefully be corrected by the next update
- CATT Team Documentation
 - In the Hemet/San Jacinto EMS area, a new pilot program launched that is called the CATT Team, in collaboration with RUHS-Behavioral Health, where if EMS providers responds to a patient who is only having a behavioral health crisis, can contact AMR to dispatch the CATT team if available. A clinical/mental health therapist will respond and take over patient care
 - REMSA recommended ems providers to use this program and to make sure documentation is done properly for using the CATT team in it.dispositon041

- Cal Fire asked for further clarification in reference to assess and refer regarding documentation for this type of call. Nick will set up a separate meeting with them to discuss further

New requested Items

IV. Change Requests

- eVitals Validation Rules
 - Tabled as an action item for the next meeting for more in-depth discussion
- Discussion regarding Assist agency/other assist disposition and other fields being entered in the ePCR
 - Providers are going down patient contact route, and transitioning to assist other agency, what is the appropriate way to enter this type of transition in the ePCR
 - Nick will have further discussion with Justin Vondriska and Rick Harvey on this
- Validation rules regarding Narcan Admin/Narcan Kits
 - REMSA proposed to make this a mandatory field to complete in the opiates panel
 - ePCR workgroup agreed to tying a validation rule to it, so it is required to be answered
- Attachment Validation
 - Included in the last upgrade
 - Require attachments to be included in the call if you have a facesheet etc.

V. Round Table

- Igel documentation reminder
- Richard Harvey question RHeart screen, is there a way to be able to put a demographics section in that field
 - Situation tool manager for RHeart charting

Next meeting: October 20th, 2022 at 13:00 via Microsoft TEAMS.
