

EMS SYSTEM ADVISORY #2025-05/08

TO: Riverside County EMS System

FROM: Reza Vaezazizi, MD, EMS System Medical Director 
Dan Bates, EMS Administrator 

SUBJECT: Clarification language added to REMSA policies

DATE: May 8, 2025

Clarification language was added to REMSA policy 3306 Physical Restraint and Transport and 4602 Behavioral Emergencies in relation to transport of 5150 patients.

“If a 911 dispatched call results in a patient on a 5150 that requires transport by ambulance, they should be transported to the closest emergency department.”

This change is effective immediately and live in the manual at this time.

If you have any general questions, please contact the EMS Agency at (951) 358-5029, or for an urgent matter, the REMSA Duty Officer at (951) 712-3342
